

## REMARKS

This response is for the Restriction Requirement under 35 USC § 121 mailed by the Office on April 19, 2007. In that Restriction Requirement, Examiner noted Species I to be claims 1-21 and 32-50 and Species II to be claims 22-31. Applicants elect without traverse the Species I claims (claims 1-21 and 32-50).

At this time, Applicants are reserving the right to reintroduce the Species II claims (claims 22-31) upon agreement of a common generic claim during the course of prosecution. If none is agreed upon, Applicants will cancel the non-elected claims without prejudice and reserve the right to pursue such claims in one or more divisional applications.

Examination and allowance is requested for the elected claims.

Respectfully Submitted,  
Jonathan J. Hull, et al.
